

PDS proposes

31ST JULY

as

National Melasma DAY

To acknowledge the challenges thrown by this **long-term, difficult-to-manage hyperpigmentary condition** that affects millions and impacts quality of life.

JOIN US FOR A DAY OF

WEBINAR

Expert insights on melasma: from understanding to management

AWARENESS INITIATIVES

Spreading knowledge and promoting early recognition

SUPPORT & SOLIDARITY

Standing together with patients on their melasma journey

Let's bring light to melasma!

TOGETHER, LET'S PROMOTE AWARENESS, EMPATHY AND BETTER OUTCOMES FOR EVERY INDIVIDUAL.

#PDSMelasmaDay
