PDS RESEARCH GRANTS-2019

Signature of the Principal Investigator and all co-investigators

Sign: _____

Name: -----

Dated:

Signature of the Head of the Department

Official Seal

II. Project Details: (Please provide details, including technical references, in the following format. Note that this part should be **blinded**)

1. Title of the project:

2. Probable date of starting and completion:

3. Summary of the proposed research: Include aims and objectives and rationale for conducting the study (up to 150 words)

4. Detailed research plan:

a. Design of study (including the total number of cases/samples to be studied and the mode of selection of subjects):

b. Equipment and other materials to be used:

c. Methodology (in detail):

d. Project schedule (including dates of preliminary and final reports):

e. Techniques to be employed for evaluating the results (including statistical methods):

f. Transfer of biological material to outstation labs (whether required or not):

5. Expected outcome and its utility to Indian or global dermatology:

6. Present knowledge and relevant bibliography relating to the research topic:

7. Links with other projects if any: Ad-hoc, task force or collaborative

8. Budget requirements: Detailed break-up and justification in a tabular form (note that equipment cannot be purchased)

9. Confirm that the infrastructure required for the project is available 10. Is the necessary support from various other specialities required for conduct of the project available? If so, specify.

11. Brief CV of the Principal Investigator (including publications in last 10 years):

12. Details of coinvestigators (for multicentre study only) & facilities available at each centre: 1 page CV & infrastructure (equipment and manpower) available in coordinating institution/ hospital/clinic and specific responsibilities of each.

13. Appendices (check list):

a. Case record form

b. questionnaires and annexures

c. consent forms & patient information sheet (in English and local language)

d. CV of principal investigator

e. CV of co-investigators (if a multicentric study)

f. Application to be forwarded by HOD

g. Ethics committee approval (if obtained)

h. CTIRI registration submission acknowledgement (if obtained)
